

Secure, hassle-free mobile payments for you and your clients.

Affordable

Convenient

Quick & Easy

Pay@ allows your clients to pay with industry leaders – MasterPass, Snapscan and WeChat.

How? Your client simply downloads their chosen App, link debit/credit card to the App, scan the QR code and pay.

No queues, no frustration, safe and secure – can you afford to be without it?

Key benefits:

- Customer convenience, simplicity and security
- Real-time bill presentment and validation of transactions
- Real-time payment confirmation
- Single integration to Pay@ platform offers access to wide payment network (including 7000+ retail partners)
- Reconciliation of all payments (cash & digital) with detailed reporting and daily bulk settlement
- Universally readable QR supported by MasterPass, Snapscan and WeChat
- Competitive pricing
